

## Comprehensive Student Monitoring System

The goal of higher education is to shape the personality and character of the human being for their own betterment, and also making them capable of sustaining in the society and in nature and ultimately for the development of a nation. A large cohort of students is from rural and urban areas, with different socioeconomic backgrounds. The college environment is very new for them and they find various issues during their campus life. The student mentoring system helps to provide guidelines and support to the students in different avenues of academic and personal aspects. Under the Mentor-Mentee system, the Adsul's Technical Institute's aim is to improve the overall personality development of the students and to inculcate qualities like problem solving, decision making, stress management, self -motivation and human values.

### Objectives:

1. To develop healthy relationship between students and teachers
2. To ensure academic and personal excellence of the students
3. To inculcate the human values among the students

### Guidelines:

1. There should be maximum 20 mentee per mentor.
2. Mentor should maintain a record of all the details of their mentees
3. Groups should be made from same department.
4. Groups should remain for entire course duration.
5. The mentor should conduct regular meetings and discussions on any problem may it be academic, financial, psychological, etc.
6. There should be a continuous review of students' progress.
7. The interactions and meeting should be recorded.
9. The mentor should identify the poor learners and interact with them to resolve the problem.
10. The mentor can involve the Parents or Head of the institution for reforming of the student issues.

### Feedback collected and Action Taken

Sr. No.	Suggestions	Action Taken
1.	Arrange Campus Placement	A separate Placement cell is working hard for campus placement. The placement cell has been asked to arrange more extra trainings to improve the student to start with good career.
2.	Provide facilities to fill scholarship forms in college	The computer center was opened to fill scholarship form. The team of teaching staff and non teaching staff were deputed to get the work done within time.
3.	Provide Exam paper solutions	All the teachers through HODs were guided to keep exam paper solutions in departmental library and make it available to students.
4.	Arrange aptitude test	Aptitude test is highly required for placement of students. The placement cell is already looking after this activity but it is directed to enhance this activity at department level too.
